VERSE 1

Bending low You hear our cries
Every longing, every fear
Unending love satisfies
And grace goes on deeper still
In the depths of every darkness
You are near

CHORUS

So draw me close to where You are
Every breath, all that I am
Every affection of Your heart
You are my hope in uncertain prayer
And You draw me close, ever so close
Every assurance of Your arms

VERSE 1

CHORUS

BRIDGE (x 3)

You pull me up from the mire and clay
You set my feet on the rock to stay
You teach my tongue a brand-new song
I will sing Your praise
Oh I need Your grace

TAG

I will sing Your praise
Oh I need Your grace
I will sing Your praise
Oh I need Your grace

CHORUS X2

So draw me close to where You are
Every breath, all that I am
Every affection of Your heart
You are my hope in uncertain prayer
And You draw me close
Ever so close
Every assurance of Your arms

TAG

So draw me close to where You are
Every breath, all that I am
every affection of Your heart
