## VERSE 2

Come Lord Jesus, come Lord Jesus, come  
The gain is gone, taking hope along  
An empty heart wont hear a grateful song  
An empty home just don't belong

## CHORUS

|Am F| C  
Do you hear your peoples cry?  
|Am F| C  
When we strain to just survive?  
|Am F| C  
When we hurt to feel alive?

Come Lord Jesus, Come Lord Jesus come.  
Shake the Ground, Change the tide.  
You've been promised, we look to the sky  
But the ground is dry and now Lord so am I.

When the emptiness subsides  
When it hurts to just survive  
Do you know how hard we tried?  
Lord we need you, Lord we need - You.
