

Come See the Christ Child

VERSE 1

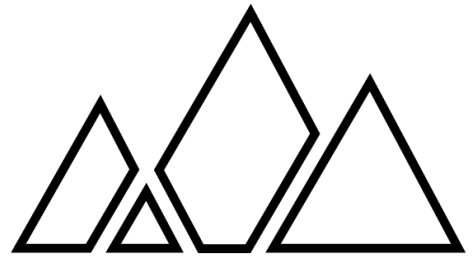

Come see the Christ child
Come see the King
Heaven is stirring while empires sleep
Come see the angels
Come singing hallelujah
Hallelujah

VERSE 2

Come see the Christ Child, humble and meek
The fields lie in empty, The shepherds in leave
Follow the weary
All singing hallelujah
Hallelujah

VERSE 3

Oh Holy Christ child, divine mystery
Wisdom is bowing, as stars come to see
Come all you wandering, And restless sing hallelujah
Hallelujah
Sing hallelujah
Sing hallelujah
