

# Never Forsaken

Written by Shalinn Silkwood | © 2022 COR Worship Collective

## CHORUS (x 3)

Your love reaches right down to the heart of us  
Not overlooking a single one  
All of us children in the arms of the Father  
We are never forsaken

## VERSE 1

When we're uncertain of where we should go  
When we're afraid of a life we don't know  
Oh Lord we come to You  
To see us through

## CHORUS

Your love reaches right down to the heart of us  
Not overlooking a single one  
All of us children in the arms of the Father  
We are never forsaken

## VERSE 2

Walking together, this uncharted road  
Imagining dreams of a story untold  
We seek the vision of  
The God who loves

## CHORUS

## BRIDGE (x 3)

No boundaries, no borders to the end of the age  
We are never forsaken, Your love's ever present  
No edges no limits beyond time and space  
We are never forsaken, Your love is amazing

## CHORUS (x 2)
