

Sings My Soul, Rejoice!

VERSE 1

And all creation sings with the morning sun
As your glory fills the sky
And the valleys rise up and the mountains bow low
Singing hallelujah

And so sings my soul, Rejoice!
In the anthem loud, with resounding voice
And the stars beyond with the moon respond
Singing hallelujah, Singing hallelujah

COR WORSHIP COLLECTIVE

VERSE 2

And the glory of the Lord has been revealed
In the rising of the Son
From the mount of despair a stone of hope has appeared
Sing Hallelujah

And so sings my soul, Rejoice!
In the anthem loud, with resounding voice
Salvation made plain and the way made straight
Sing Hallelujah, sing Hallelujah

VERSE 3

What a Holy mystery that called the mountains from the seas
And breathed the breath of life into dust.
Praise the Father, Praise the Son and Praise the Spirit, Three-In-One
Sing Hallelujah

And so sings my soul, Rejoice!
In the anthem loud, with resounding voice
From lowly circumstance swept up in Your holy dance
Sing hallelujah
And so sings my soul, Rejoice!
In the anthem loud, with resounding voice
From lowly circumstance swept up in Your holy dance
Sing Hallelujah, sing Hallelujah
Sing Hallelujah
