

Some Kind of Christmas Song

VERSE 1

Jesus Christ our Savior
Was born to us a baby
They laid him in a manger
In Bethlehem that night
Jesus Christ our Savior
Was born inside a stable
They laid him in a manger
One starry, quiet night

VERSE 2

Jesus Christ our Savior
Was born to us a baby
They laid him in a manger
That starry silent night
The prophets had foretold it
The dawning of the morning
Let loving hearts enthrone him
The son of God come down

VERSE 3

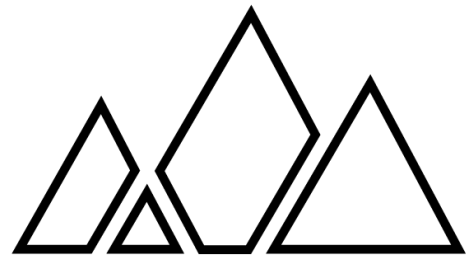

Jesus Christ our Savior
Was born to us a baby
They laid him in a manger
That starry silent night
He was of the house of David
To a virgin mother favored
To bear the heavenly savior
For the sake of all on earth

VERSE 4

The shepherds quaked and trembled
When the heavenly hosts descended
Singing "Peace and joy unending
To the low and the broken down"
And a star hung high and brightly
It was a sign of the heavenly light and
It shone all day and night
To proclaim the holy birth

VERSE 5

Jesus Christ our Savior
Was born to us a baby
The desire of every nation
Our Lord Emmanuel
Our Lord Emmanuel
Our Lord Emmanuel
Our Lord Emmanuel
